REPORT OF THE AUDITOR-GENERAL TO THE KWAZULU-NATAL PROVINCIAL LEGISLATURE AND THE COUNCIL ON THE FINANCIAL STATEMENTS AND PERFORMANCE INFORMATION OF MSINGA MUNICIPALITY FOR THE YEAR ENDED 30 JUNE 2009

### REPORT ON THE FINANCIAL STATEMENTS

#### Introduction

I have audited the accompanying financial statements of Msinga Municipality which
comprise the statement of financial position as at 30 June 2009, the statement of
financial performance, the statement of changes in net assets and the cash flow
statement for the year then ended, and a summary of significant accounting policies
and other explanatory notes, as set out on pages 16 to 45.

### The accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting determined by the National Treasury, as set out in accounting policy note 1 and in the manner required by the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.

### The Auditor-General's responsibility

- As required by section 188 of the Constitution of the Republic of South Africa, 1996
  read with section 4 of the Public Audit Act, 2004 (Act No. 25 of 2004) (PAA) and
  section 126(3) of the MFMA, my responsibility is to express an opinion on these
  financial statements based on my audit.
- 4. I conducted my audit in accordance with the International Standards on Auditing and General Notice 616 of 2008, issued in Government Gazette No. 31057 of 15 May 2008. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance on whether the financial statements are free from material misstatement.
- 5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

- 6. Paragraph 11 et seq. of the Standard of Generally Recognised Accounting Practice, GRAP 1 Presentation of Financial Statements requires that financial reporting by entities shall provide information on whether resources were obtained and used in accordance with the legally adopted budget. As the budget reporting standard is not effective for this financial year, I have determined that my audit of any disclosures made by the Msinga Municipality in this respect will be limited to reporting on non-compliance with this disclosure requirement. Consequently, a decision has been taken that the AGSA will not audit the budget information presented in the financial statements in terms of GRAP 1 and the audit opinion will, therefore, not cover such information.
- 7. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

8. In my opinion the financial statements present fairly, in all material respects, the financial position of the Msinga Municipality as at 30 June 2009 and its financial performance and its cash flows for the year then ended, in accordance with the basis of accounting determined by the National Treasury, as set out in accounting policy note 1 and in manner required by MFMA.

#### Other matters

9. Without qualifying my opinion, I draw attention to the following matters that relate to my responsibilities in the audit of the financial statements

### Unaudited supplementary schedules

10. The municipality provided supplementary information in Appendix E1 to E2 to the financial statements on whether resources were obtained and used in accordance with the legally adopted budget, in accordance with GRAP 1 Presentation of Financial Statements. The supplementary budget information and other supplementary information set out on pages 46 to 47 does not form part of the financial statements and is presented as additional information. I have not audited these schedules. Accordingly I do not express an opinion thereon.

### Non-compliance with applicable legislation

# **Property Rates Act**

11. The delay by the municipality in implementing the Property Rates Act, Act 6 of 2004 was not supported by the exemption required by section 18(1) of the Municipal Property Rates Act, 2004 (Act No. 6 of 2004).

# Key governance responsibilities
